BRAND POSITIONING

Hear more. Live **fully.**

A consumer hearing brand for the way people actually live. Clarive amplifies the voices and moments that matter — clear, immediate, and effortless.

PERSONALITY

Bold Human Accessible Confident

Immediate Optimistic

Unlike traditional hearing brands that feel medical and clinical, this identity should feel **consumer-first** and **empowering**.

THE FOUR PILLARS

What we stand for.

Clarity

Clean, legible, and immediate
— never cluttered.

Focus

Guides attention to the sound
that matters.

Confidence

Bold and reassuring. You're in
control.

Connection

Human warmth — built for real
life.

THE MARK

An ear, always listening.

The mark is a single stylized ear drawn in one continuous, rounded stroke. Built on a circular grid for balance, with consistent stroke weight and fully rounded terminals — the same language as our iconography.
